Dear Mr. and Mrs. Smith,

Hello, thank you for your hosting.

My name is Miyo Terris. I am going to stay with you for 6 months. Thank you for your hosting.

First, let me introduce myself. I was born on January sixth and I am nineteen years old now. I live in Japan. It is hot and humid in summer time. On the other hand, it is extremely cold in winter times. There are four people in my family; my father, my mother, my brother and me. I love dogs and that is why I have two dogs. One is a Miniature Schnauzer and the other is a Mongrel Dog. I like watching baseball games. So I am looking forward to watch baseball games in America.

I go to Prefectural University of Kumamoto. I study English there. I would like to be a teacher and teach English at high school or junior high school.

Now, I teach English and Math to junior high school students at Cram school as a part time job. I don't smoke cigars and don't like tobacco. If you smoke cigars, I will ask you to smoke outside.

I want to improve my English skills. So, please tell me when I make mistakes. Also, I would like to know about your culture.

I'm looking forward to stay with you.

Sincerely,

Miyo Terris
